A Dramatic Space

Wallcovering

Phillip Jeffries's Quartz wallcovering, made of mica shavings, catches the light.

Sink

Kohler's Stages sink is 45" long and 9½" deep to accommodate large pots and pans.

Countertop

Caesarstone countertops in Organic White are durable and easy to clean.

Cabinet

A cabinet slides out and functions as an appliance garage.

Tech

Lighting and music are controlled through an Apple iPad set into the cabinetry.

Backsplash

The dazzling backsplash is composed of Black and Silver Iridized Chrysalis tiles by Ann Sacks.

Ceiling and Floor

The ceiling and the floor are painted in Valspar Reserve Ultra White to contrast with the dark cabinetry and reflect light.

Refrigerator

Whirlpool's 4-door refrigerator in Black Ice features a convenient drawer for quick access to everyday items.

Wall Oven

The SteamClean option in the Whirlpool Gold wall oven makes spills disappear.

Cabinetry

Black Harlowe cabinetry by Kraftmaid sets a sophisticated tone.
